CLASS HISTORY

47 was the starting year
For one hundred and three who were filled with fear
Gathered together as a Freshman class
Hoping to stay until four years would pass.
Flanagan was chosen to see us through
And held the course both firm and true,
Until the picnic on the old ball grounds
When we really felt we were out of bounds
Rover skating and parties galore
But still we craved and asked for more
The final picnic at Page's Lake
Was said by all to 'take the cake'
Then once again in '48
So full of pep we could hardly wait,
With Hayes as President we'd look for fun,
And preparations were then begun,
For days and weeks far in advance
We worked and planned the St. Patrick's dance
Where fun and frolic held full sway
Still echoing from that Gym today.
Tripp Lake was then the final fling
And there we did most everything
Gathered once more in '49
With Carolyn as president we were due to shine
We needed money for our senior class
So as the months began to pass
Talent shows and Legion ads
Collected dollars from our dads
We stretched again those tight purse strings
When they dug down to buy our rings.
The Junior year would be incomplete
Unless the seniors got their treat
Ansco Lake was picked for the job
And won approval from the mob
In '50 we were bound to 'click'
As Carolyn again the class did pi -
Several bake sales, snow ball hop
Hallowe'en dance and soda pop
Box social and fashion show
Continuously kept us on the go
The senior play, "Come Rain or Shine"
Is taking now most of our time
We know the faculty has done its part
And now is dear to every heart.
With graduation drawing nigh
We'll soon be leaving Montrose High
And as we go our many ways
We're going to miss those good school days

While observing a Home Ec class about a year ago, Carolyn became extremely interested in figurine painting. Further inquiry into the work brought about a prompt start on her own hand at it. Though she confesses her hobby is carried on a bit spasmodically, she nevertheless puts in many enjoyable hours once the paints are mixed and the equipment is in readiness. She has finished many figurines since adopting this pastime.

A little boy of ten poring over every book on airplanes he could find—then the first plane ride at thirteen—and the flying lessons that followed—all these add up to Bob's hobby. The thrill of soloing came on his sixteenth birthday, then work in earnest for his license. In Bob's own words he tells us, "After many more hours in the air, with countless check flights, my instructor finally decided that I was at last competent to carry passengers. The long awaited dream came true." Late last summer the CAA awarded him the coveted p.o.t.

HI-Y

Under the leadership of Mr. Birchard the boys of the Hi-Y Club have enjoyed a very profitable year in studying the development of Christian character. The club was divided into seven committees which included all of the forty three members. Each committee had the responsibility of planning and directing a meeting. Many interesting and instructional programs were presented in the form of slides, skits, special speakers, and group discussions. This system gave each boy an opportunity to have a part in the activities of the club.

The officers of Hi-Y were: President, Paul Harrison; Vice President, Frank Moger; Secretary, Kenneth Maynard; and Treasurer, Robert Schlegel.

F. F. A.

The 10th annual Harvest Ball was one of the main highlights of the year. Anne Lake was crowned Harvest Queen.

On November 15th the officers, two delegates, and advisor attended a county F.F.A. meeting at Thompsontown.

The second highlight of the year was January 10th when we learned that our window exhibit won 2nd place in the Statewide Farm Show in Harrisburg.

On April 2nd we competed in the 2nd annual Parliamentary Procedure and placed third in the county.

Awards were handed to us when Charles Bush was awarded the FFA Degree and Mr. O'Brien was awarded the Harry T. Moore Farmer Degree, also at the State Show.

All of the Agriculture students attended the Bloomsburg Fair this year instead of the Harford Fair which is much smaller.

This year for the first time, all juniors and seniors that wanted F.F.A. jackets got them, having part paid for them.

The officers were: President, James B. Barbour; Vice President, Stephen Snow; Secretary, Ray Smith; Treasurer, Charles Mead; Recording Secretary, Kenneth Russell; Sentinel, Don Brichard; Chaplain, Frank Wilson.

With an enrollment of 45 girls the F.H.A. organization opened its second season on September 21 with [redacted] president; Joan Van Housen, vice president; Priscilla Hayes [redacted] treasurer; Maxine Bo [redacted] secretary; Joan Hayes [redacted]

MADRIGALS

The Madrigal group is a new facet of the school's music department, having been started early this year by Miss Woodin. The purpose of madrigal singing is to show the customs of middle-age nobility, in that often after a banquet was finished, the lords and their ladies would sit around the banquet table and sing unaccompanied part songs for their own enjoyment.

The Madrigals have given public performances for the Monday Club, for the school's annual vocal concert, and for the tenth anniversary services commemorating the completion of the Methodist Church at South Montrose.

GIRLS' BASKETBALL

B
Miss Carman our new coach was faced with the difficult task of coaching a team from inexperienced players. Even though the score was not always in our favor, Miss Carman was always there urging us on.

We are certain that next year's team will be greatly improved and a challenge to other teams.

BOYS' BASKETBALL

Not since 1939, which is a long time ago, has Montrose turned in such an admirable performance. The town, which has long awaited a winning team, was rewarded when ours completed the season with a 16-5 record.

ed last year, the team finished up the season with flying colors and in greater strength.

of Mr. Manning, Jim Arnold, Russel "Butch" G. Evans, Bill Deen, and all the others came through in fine fashion.

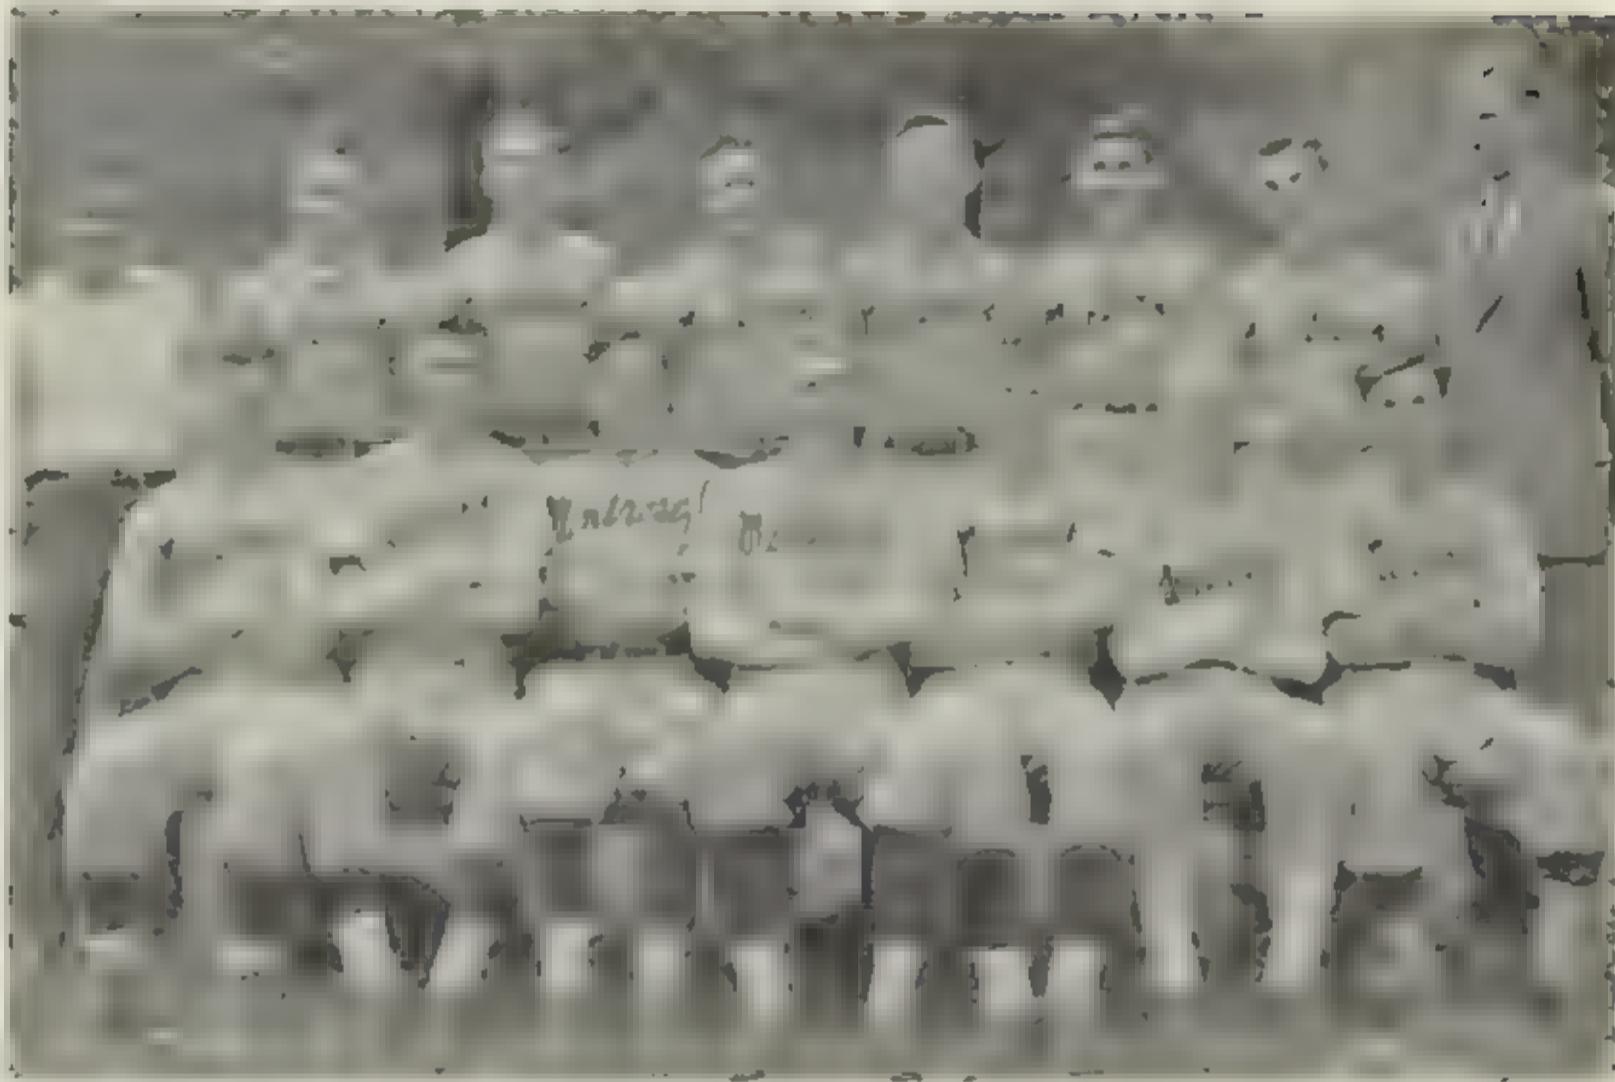

The four graduating seniors, Ralph Kudert, Paul Harrison, Frank Moyer, and Tom Rossell, will miss the boys on the team as well as Mr. Manning. The good scrummage squad by their graduation.

CHEERLEADERS

The game is tied, a time out has been called, and the girls in maroon and white are cheering. They are standing in a well-known cheer to urge the team forward. And when they are inspired to fight to the finish, they do it with all the cheer-vitality, vigor, and versatility. Good luck in all your situations to you all, and so long! Go, girls! A-

BASEBALL

The 1950 baseball season was a short and discouraging one for the Montrose fans. The team ended up with a 0 and 4 record that could hardly be classed as impressive. To all outward appearances the team looked to be a winner, but bad weather, bad breaks, and surprising inadequacy of the batters combined to swing the balance in the other direction.

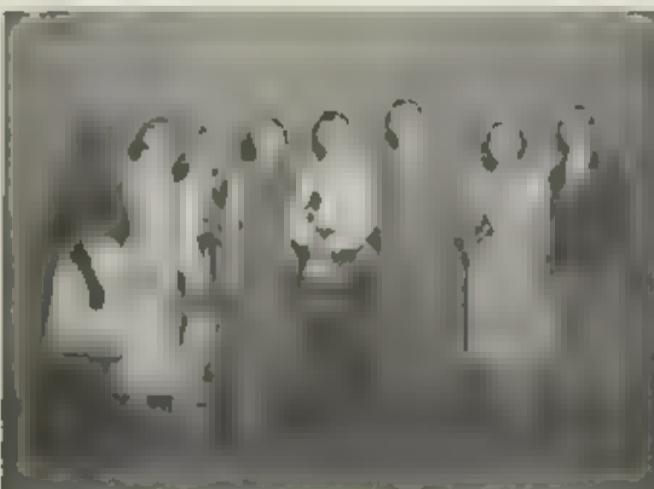

The five graduating seniors, Bob Bennett, Mike Faragan, Frank Moger, Doug Hart, and Del Potts wish the next year's team the best of luck and thank Mr. Snyder for the help and guidance.
